 - *Interior Capability is 130 gallons or 16.4 cubic feet*
- *Inside dimensions are 57" length, by 20.75 " width, x 23.75 inch height*
 - *Lockable lid w/spring hinge, won't slam shut*
 - *Leading and sides two tone brown and tan, Bottom black*

Consumer's Digest awarded the Lifetime *Extra Big Outdoor Storage Deck Box* a Greatest Acquire award in September 2009, stating "This unit delivers the most storage capacity of any deck box and contains the best warranty of any horizontal shed that we found. A spring hinge keeps the lid from slamming shut--a fantastic function that's distinctive at this price tag."

Our 130 gallon Lifetime deck box has lots of space to shop all the items that you want to maintain in a hassle-free outdoor location and comes with a robust, lockable, spring-hinged lid which opens to a lot more than 90 degrees for easy access. The versatile style of the Lifetime deck box even makes it possible for you to install interior dividers or shelving.

This weather-resistant Lifetime **Extra Big Outdoor Storage Deck Box** is constructed to withstand the components with UV-protected high -density polyethylene (HDPE) construction and a water-resistant seal to maintain your storage items secure and dry. A wonderful solution for your outdoor storage requirements!
